INITIAL DISCLOSURE DOCUMENT - Consumer Credit

Your Finance Options

As an FCA-regulated credit broker we can introduce you to a limited number of lenders and their finance products which may have different interest rates and charges. We are not an independent financial advisor, and we don't offer impartial or independent financial advice or recommendations. We will provide details of products available from the lenders we work with, but no advice or recommendation will be made. You must decide whether the finance product is right for you. We do not offer a whole market financial solution.

We do have a commercial arrangement with Motonovo that may provide an incentive or commission for your business meaning we can't provide an impartial advice.

We do not charge you a fee for our services. Whichever lender we introduce you to, we will receive commission from them (either a fixed fee or a fixed percentage of the amount you borrow). The lenders we work with could pay commission at different rates. However, the amount of commission we receive from a lender does not have an effect on the amount you pay to that lender under your credit agreement.

In identifying and assessing your requirements we may seek information about your personal circumstances. It is therefore important that you provide us with accurate and relevant information.

We always aim to provide a first-class service, however if you have any cause for complaint any enquiry can be raised by contacting us using the address and telephone number below. Should you remain dissatisfied, you have the right to ask the Financial Ombudsman Service to review your case. You should write to the Financial Ombudsman Service: Financial Ombudsman Service, Exchange Tower, London, E14 9SR.
